Voices - Beautiful Sounds That Open the Heart of Humankind

Founded by Maria Pia Ugarte, *Voices* assembles talented people into a wonderful group performing in concert.

We're looking for support from the community for our local PBS station! We will be manning the phone banks on March 1 and would love to have additional help from the southside! Read the information on this week's cover and on the [Voices page!](#)

Whitewater H.S. 2008 Spectacular

Billed as *Dance to the Music: A Tribute to the Music of Our Past*, coming March 27 through 30th. From personal experience we can state that this is truly a spectacular evening of top-notch entertainment brought to you by over 260 highly talented students! This is definitely **NOT** your typical high school Chorus show! Order your tickets as soon as possible because this will be a standing room only event!
