MATT ELLIOTT HOMES TO CONTRIBUTE \$2500 FOR *VOICES*

Matt Elliott Homes reaches out to support Voices and its community, for another year, in the upcoming programs for the summer and fall of 2008.

“We are glad to join Voices once again,” explained President, Matt Elliott. “We have shared this journey since its inception and are excited to support them in their artistic endeavor. We feel that the sophistication of their productions is unrivaled in the local community. Voices has the special ability of blending an eclectic mix of musical styles, cultures, languages, and ages of talent. This unique quality enables them to transport their audience beyond its imagination. Ms. Ugarte, as Founder and Artistic Director, has created a vehicle to share, enlighten and develop the local community and talent based on her multi-cultural classical training, performance and teaching experience. As a Platinum Sponsor, we look forward to Voices announcement for the upcoming programs of 2008 and we would like to encourage the community to participate and support in the continued growth of this performing arts organization.”

Matt Elliott Homes believes that “quality is in the making” and that “it is an emotion which you experience in art and lifestyle.” “We invite you to experience this feeling” and preview 105 Adams Park Drive, Fayetteville, GA 30214.
